PART 3 - CLASS LICENCE

Regulation 17. Matters to be considered for class licence.

Matters to be considered for class licence

17. (1) The Minister may, on the recommendation of the Commission, decide that a particular service or activity is subject to a class licence.

(2) In recommending that a particular service or activity is subject to a class licence, the Commission shall consider, amongst other matters, the following:

- (a) the need to encourage market entry into that particular service or activity;
- (b) the encouragement of innovation;
- (c) the targeted customer base in terms of size and spread; and
- (d) such other factors as the Minister may, from time to time, decide.
